About Us

Welcome to NOFA SPECIAL TRADING EST, your premier supplier of specialized industrial products in the Kingdom of Saudi Arabia (KSA). With our main branch located in Jeddah, we are committed to serving customers throughout the country.

At NOFA SPECIAL TRADING EST, we specialize in the wholesale and retail supply of industrial spare parts, building materials, and packing materials. Our extensive range of products caters to various industries, including automobile, motorcycle, power machines, and sealing products.

We take pride in offering high-quality items sourced from reputable suppliers in Europe, America, Southeast Asia, Germany, Japan, Singapore, China, India, and Taiwan. These products are meticulously selected to ensure they meet the stringent standards of our discerning customers.

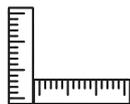

Our team of dedicated and skilled workers is committed to delivering excellent service and support to our valued customers. We strive to provide competitive prices without compromising on the quality of our products.

At NOFA SPECIAL TRADING EST, we understand the importance of timely delivery. Therefore, we offer efficient logistics solutions that enable us to deliver goods promptly to any location within the KSA. Whether you are in Riyadh, Dammam, or any other city in the country, we ensure a seamless supply chain to meet your requirements.

We look forward to building lasting partnerships with our customers, and we invite you to experience the NOFA SPECIAL TRADING EST difference. Contact us today for all your industrial product needs in the KSA.
